## AAML-MN Announcement Regarding Divorce Camp 2020

---

Dear Family Law Community,

For the past 28 years, Divorce Camp has served as our unique opportunity to gather away from the hustle and bustle of our everyday work lives and learn from one another. Our annual retreat allows us an informal and fun way in which to raise the level of practice and make new friends and connections within the community. Many of us have formed some of our most rewarding relationships in the community thanks to Divorce Camp.

It is therefore with heavy hearts that we announce that Divorce Camp this year is being delayed to Fall 2021. The current national and local environment, particularly economically and socially, due to the COVID-19 pandemic would render it next to impossible to produce a Camp that meets our high expectations for the educational and social benefits for which we so energetically strive. As so many of us are focusing on the health of our families and our businesses, proceeding with Camp under these circumstances would not be an appropriate or constructive endeavor.

We are working on opportunities to maintain our connection with the community this fall, be it in an educational and/or social manner, so be on the lookout for future announcements. In the meantime, we wish everyone continued health and success in the year ahead, and we will all look forward to Divorce Camp 2021.

Zak Kretchmer, Camp Co-Chair  
Gloria Myre, Camp Co-Chair  
Lisa Spencer, President, AAML-MN
