

Interested or involved in Collaborative Divorce Practice?

Join us for the first annual CollabFest Midwest!

Collaborative practice is a creative new paradigm that can be transformative for both practitioners and clients. At CollabFest we will develop the deeper understanding and confidence needed to build a thriving collaborative practice.

Sessions include:

- ◆ Selling full-team collaborative
- ◆ Live Case Study: Going inside a full team
- ◆ Collaborative Practice for the Middle Class: The streamlined flat fee process
- ◆ Marketing your practice using collaborative law
- ◆ Uniform Collaborative Law Act
- ◆ Practice group development
